PROFESSIONAL SUMMARY
Office manager transitioning to software engineering with more than 5 years of experience, excellent mathematical and analytical skills. Trained on software engineering fundamentals, including low-level programming, DevOps, and high-level modern languages, exited to find an entry level position where I can fiend opportunities to expand my knowledge and work on challenging projects.

SKILLS
- LANGUAGES: Bash, C, Python, Mysql, HTML, CSS, Javascript
- FRAMEWORKS: Flask, unit testing
- OPERATING SYSTEMS; UNIX/Linux, Windows, MacOS
- TOOLS: Git, Docker, Vim, VScode
- PERSONAL: Professional manner, can handle Stress, Problem solving, teamwork, rsponsible and efficient, 100% Spanish

PROJECTS
HBNB- an Airbnb clone
- Implemented a console with a command line interface to manage and store objects.
- All files, classes, functions were tested with unit tests
- Used SQLAlchemy to map Python objects to a MySQL database.
- Designed and implemented a RESTful API with Flask for objects retrieval.
- Used jQuery to make site interactive and load objects from client side using the API.

Simple Shell – a simple UNIX command interpreter
- Used system calls to perform functions such as directory file listing
- Display a prompt and wait for the user to type a command and handle PATH.
- Implement the exit built-in, that exits the shell

Printf function - cloning "printf" function from C
- Implementing in our function edge cases same as printf
- used macros and functions.

Technical Writing
- What happens when you type holbertonschool.com in your browser and press Enter?
- Hey grandma… this is what you should know about "Machine learning"
- How variables behave in Python 3
- What is the difference between a hard link and a symbolic link?

EDUCATION
Holberton School - July 2019 to January 2020
on-site intensive covers software engineering fundamentals, including low-level programming, DevOps, and high-level modern languages.

Universidad De La Salle Bajio, Sep 2010-July 2011-Specializing in Design of concrete structures

Universidad De La Salle Bajio, Aug. 2004-July 2009-bachelor's degree in civil Engineering
